

Memphis Dry Rub Baby Back Ribs

Origin: USA | **Difficulty:** Medium | **Prep Time:** 40 mins | **Servings:** 4

Description: Classic pork ribs focuses on a complex dry rub and a light vinegar mop, omitting heavy sauces for a cleaner meat flavor.

Ingredients

- 2 whole Baby Back Ribs
- 40 grams Paprika
- 100 ml Apple Cider Vinegar

Instructions

Step 1: Remove the membrane from the back of the ribs.

Step 2: Apply a heavy layer of Memphis dry rub (paprika, garlic, onion, celery salt, cayenne).

Step 3: Smoke at 250 degrees Fahrenheit for 4-5 hours.

Step 4: Mop the ribs with a mixture of vinegar and water every hour.

Step 5: The ribs are ready when they pass the 'bend test' and the meat pulls back from the bone.

Equipment & Techniques

Equipment: Smoker, Mop Brush

Techniques: Smoking, Mopping

Suggested Pairings

- **Amber Ale** (Beer): Malty sweetness balances the vinegar tang.
