

Smoked Cauliflower Steaks with Chimichurri

Origin: USA | **Difficulty:** Easy | **Prep Time:** 20 mins | **Servings:** 4

Description: A hearty vegetarian BBQ main; thick cauliflower slabs are cold-smoked then seared and topped with a vibrant herb sauce.

Ingredients

- 2 whole Cauliflower
- 50 grams Parsley
- 3 cloves Garlic

Instructions

Step 1: Cut cauliflower into 1-inch thick steaks.

Step 2: Cold smoke the steaks for 30 minutes using applewood.

Step 3: Season with salt and oil, then sear on a hot cast iron skillet for 4 minutes per side.

Step 4: Blend parsley, garlic, vinegar, and oil to make the chimichurri.

Step 5: Spoon the sauce over the steaks before serving.

Equipment & Techniques

Equipment: Cold Smoke Generator, Cast Iron Skillet

Techniques: Cold Smoking, Searing

Suggested Pairings

- **Sauvignon Blanc** (White Wine): High acidity cuts through the charred notes of the cauliflower.
